

It's an upside down world.

Do you have aspirations? Do you have ambition?

Do you feel like you are on the bottom rungs of the ladder, but within yourself, believe that you can get to the top? Do you 'feel' that if you get it right you can stand on the top rung of the ladder? If you work at it, if you apply yourself. If you give it your best shot?

Do YOU aspire to make it?

Then your feelings are honest and true and you can get there. But you need not spend a life time of climbing up, one rung after another to reach the top.

If you truly aspire to stand on the top rung: then merely turn the ladder upside down.

For YOU live in an upside down world, and you have to turn it downside up; Then YOU will recognise that you have always stood on the top rung.

When you turn 'your' ladder upside down, you will see that the top rung is the bottom rung, and the bottom rung is the top.

Seek ye FIRST then Kingdom of God and His righteousness, then all these things ('rungs'), shall be added unto you.
