

Born Again - Born of The Spirit

Hear the description of the born again state:

As we know, the ever loving Father is all in all. Even little children are taught God is everywhere, and by Spirit, we witness this to be true. The revealed new creation is Father, is Spirit. Nothing exists outside of Father; Spirit. Creation is not separate from Spirit.

Contrary to the reasoning mind, the mind of Christ places us in harmony and in that perfect presence, life in the Kingdom of God. First to acknowledge perfection in His finished work, second to cease from the our own labors and to enter into rest. And now it is our pleasure to adore all that the Father is, and by the same faith that filled us with the Holy Spirit, we receive of His fullness.

We who find ourselves blessed to occupy this new Heaven and New Earth are Spirit Beings. The body is Spirit seen, and the soul is Spirit awareness. Many are now seeing this; the Truth; Spirit, Soul and Body as one, and are accepting The Lord Jesus Christ as the all as all. We are discovering we are whole because He has opened us unto Himself.

He has uncovered the reality of the true and living body. Thus, our discernment is awakened.

This is "Born Again; Born of The Spirit;" the body that shall never die. This is reality, oneness with the Father. The faith of the Lord Jesus Christ has opened our eyes to who we are.

This is the Truth, that The Lord Jesus Christ may not be separated from His body, neither individually or corporately. Body, soul and Spirit are one.

Therefore, The Only Begotten Son of God is Body, Soul, and Spirit revealed as One. Christ, the head may not be separated from His Body of righteousness; The Resurrected Family in earth.

The Grace of The Lord is awakening His own, each in The Father's order. The Grace of the Son comes forth from the awakened ones. Therefore, we are endowed with infinite mercy; the new government of the Father.

One could say, "Have mercy on me Oh Lord, for I am blind and undone. Let me touch you, or if you will just look upon me, I will be made whole. Let your shadow pass over me because I can not find my true self, and I feel that new life is you."

Faithful is He who hath made us whole, and He is unveiling the Truth in His own order.

Therefore, The Only Begotten Son, the earth dweller, is Father revealed in us now.

Thank you loving Father. Hallelujah!! Amen

The Lord Jesus Christ*
