

We Ascend The Mount of Transfiguration

I would humbly like to dedicate this writing to the love of The Lord Jesus Christ in my brother Preston Eby, who is a friend and inspiration to me.

The Commission:

 You are become a ready writer, and sent forth. You are not to write or repeat what other men say, but you are to write My Word from within your own Being.

In the presence of our Lord Jesus Christ, this is what I humbly must say :

On the eventful day when Jesus took his beloved disciples to the top of the Mount of Transfiguration, He purposed to illuminate to His people some very valuable truths.

First of all, He is the Truth, and outside of Him there is no Truth. What is Truth? Truth is the Kingdom that will never need repentance or correction, even though it is ever expanding. It is this glorified God-Man, Jesus Christ, both individually and corporately; never to be divided or separated from His own. Truth is that exactness of perfection in Grace; the Father Spirit manifest.

To Our Brother Preston Eby
Son of Great Love

This day of the Lord as we ascended the Mount of Transfiguration, we witnessed Jesus define the eternal body, showing that there is no division between Body, Soul and Spirit; that there is only ONE , the marriage of the three. This very Body, which we know as the Temple of the Living God, is eternal, but in most cases, yet to be recognized or accepted.

This beautiful Body is filled with Light, filled with the Holy Spirit to its fullness; waiting for us to receive it.

(Him)

Turn your Light on my love and see the fullness of salvation.

Jesus revealed that there is only one Body, forever.

Later, He showed the one Body as He took it with Him out of the tomb.

I pause here, to make plain that, looking from the eyes of righteousness, as we do, this Body which we are, both individually and corporately is fully alive, awakened in Him, and well able to live the promise; to shine forth His presence NOW.

The Mount of Transfiguration: Jesus clearly opened for us there on the Mount, that the Body is not a hindrance, to be cast off, but is to shine forth as the noon day. The Body is not in the way of the Truth, but is a part of the Truth, even as He is Truth as you. There is no division.

He made plain that there is no division of Body, Soul and Spirit, and consider this:

By the appearance of Moses and Elijah; Jesus, Peter, James and John, He made it clear that there is no separation between the two worlds; that even this appearance of two separate worlds is brought about by the power of man; his vested imagination.

Preston and Lorraine Eby stood before my family and me in radiant, wonderful, glistening light 25 years or so ago; a standing forth in His presence we have not forgotten. From that day until now, he

has been writing about this wonderful Presence with dignity in the anointing of the Spirit.

There are many revelations opening to the forerunners today that are helping them to see the finished Kingdom. The Word is going forth that quickens; quickens our understanding, quickens our hearts, and quickens our mortal bodies. This is our time of the opening; open hearts are ready to know Him as He really is.

That there is only ONE, and it is the Only Begotten Son in the faith and righteousness and beauty of The Lord Jesus Christ, dwelling in the earth that the Father called very good.

Ye are the Light of the World, the real and true and only creation. Let us acknowledge the mind that was given at the cross to live and move and have our being in Him.

He lives in us. His presence is everything.

THE PRESENCE

Being cemented, and fully given; everlastingly caught up in the glorious Presence, We are aware that nothing that ever shall come in the future will ever exceed the beauty and glory of this ONE who is, "I Am," in Jesus Christ today.

We have returned all our hopes, dreams and treasures; our knowing and relationships to you, our King, and have slipped away into your bosom; ever to remain alive in you. Ever to be in you ,

Father, as you know, we are lifting, moving and Being in your new day.

The length and breadth of salvation is pressing and breathing; causing us to shout, dance and sing: "He is come, He is come, He is come."

"I am come My Sons, showing My hinder parts and My face. Now I am seen as promised, showing you plainly who I am."

"Look and see with Me, everything is new. Old things are passed away, and there is a table set before you with My abundance. Of course it is before you, because it is in you."

"The treasures of Heaven are yours now My Sons. As I raise My hand, you raise your hand. As I touch, you touch. As I breathe, you breathe, and as I walk, you walk."

"I give you rest. You are not sent to build a city. but are called to see and reveal My City; to testify and to be a testimony of My City. Heaven is where you are, where I Am."

"You are My people, My glorious people who have entered in, who have embraced the promise and received of My fullness. You do not look for a future time, or for another god, or for another creation other than that which I am in you. You have found the consummate life in Me where you live and move in My presence. And Oh how you do move.

Amen:

Highest regards and love from Jim and Darling Melba
