

■ The Gospel ■

There is ONE who sits upon the table of our hearts, who is no mamby , pamby , weak God, but is the Holy Righteous Lord and Glory of all. He is everything set in order and far above the reasoning concepts and intellect of men.

He is christened by His own precious blood and has flushed the commode of the ugly once and for all, and I do mean flushed, finished, changed. The NOW is our opportunity to see and know this, for it is He unveiled.

He is the sustainer and holder of this planet earth; the bread in the mouths of humanity.

Is He waiting to be joined, or is He joined? Yea, He is; joined and not separate from the everlasting order of Melchizedek, the order established before the beginning of days. He never stands alone but is, and always will be as ONE; gathered in the purity of our Father in the everlasting brilliant light of grace , truth and love.

Does He wait? Wait on what? He is everything; Alpha and Omega. By His Word He unveils the heavens faster than man can imagine. He is all powerful, all beautiful, all loving and all giving.

He is as you and me, and as was said, seated upon the tables of our hearts; AN EXPLOSION OF RIGHTEOUSNESS, A WHIRLWIND OF REVELATION.

**You Are Loved,
Yes You**

He is beyond explanation and utterly beyond reach from the imagining, reasoning mind of an outside circle.

There is no way to cross over to Him, for if you are not already in the inner circle of His blood covenant, there is no passport. Therefore, if you are not already a Son, you never will be. Why? Because He gave His life once in the end of the world for all and reconciled all to the Father. There is only ONE ONLY BEGOTTEN SON and He is all in all. There positively is nothing outside of Him for He came to seek and to save everything which was lost which includes you dear reader.

It was said, inner circle. That is the gathering in love; the gathering of you, everyone you love, and especially the gathering of the unloved. He has established a Holy Mountain, exquisitely beautiful and without spot or blemish. The awakened see only Him; The All in All. There is no spot in you beloved. Hear this!

Out there, there could be someone who thinks they are ahead of others. Ahead of what? There is only ONE. This one who might think He is ahead shall return to the gathering of the unloved and repent. He will be pleased to be seated at the same table with all.

There is this wonderful Power and Presence in the earth that has always been. It is the initiator, the sustainer and the everlasting; the very breath of existence. We need be pleased that we be joined and made ONE with Him. It is the arm of the Lord, everything that He is NOW, TODAY and FOREVER. You are as I am, as He is, for we are all made ONE.

Faint not at the unveiling of the glory of salvation, for it is glowing in our hearts and eyes like a gigantic bright coal of fire.

He is Conqueror, King and Glory in you.

Have you been out on a limb of self righteousness, exalted?

Welcome to the living room of God our Father. Welcome home.

Amen
