

# THE GREAT APPEARING

As the church bells ring and ring and ring, and the prayers of the saints ascend upon high, the Light of the Son of God settles over the darkness of the woods, and plains and precepts of men, almost unnoticed. There is no place that does not have Light. There is Light in the sea and Light in the heavens. The Light illumines blackest alleys and darkest faces.

“Awake to My Light”, He says, “for I am here, and I am whole. The brightness of My being is in you , just the same as in the dawning of time.”

There are searchers and finders just like there are beggars and rich men. The finders know the Light is come, and from within they traverse the brilliant beams of gladness down every alley and across every face. They see resurrection and rejoicing in every man, the NOW appearing of the fullness of salvation. They see dignity, serenity and rest in the never ending presence of the Holy Spirit.

There is a Word from the Light: “I said I would be in you, and so I am. I said I would prepare a place for you and so I did. I said, I would come to give you rest, and so I have. I said, peace be still, and so it is. I said the Kingdom of God is at hand, and you have discovered it. I said , Father make them ONE and so you are.”

Our inheritance is here, praise God. The King Himself is seated upon the limits of the earth with His blanket of radiant glory over all appearances. We behold Him, the covering of everything. Righteousness is manifest in our eyes, as we see life, peace and joy; the magnified Light of Him.

Death has been conquered in all forms to us as we rejoice in the glory of the Light of His appearing.

Now, you might ask if we were just Spiritualizing everything, but I must answer. It is not I alone that made all things

**Spirit; all things God. It was we, from the beginning, who made all things from ourselves.**

**It is now given that we shall recognize:**

**WHO WE ARE!**

**- SPIRIT -**

**Consider, there is no place where our Father is not, and this should be apparent to those that have found the restoration in Christ Jesus.**

**Now we, being blessed in this hour to behold ( Only ) the Light of His appearing , and not the false appearance of a fallen creation, and who have become obedient to see none beside Him, do welcome Him and confess that He is come in His radiant fullness. We know He has finished the work; has restored us unto the Father.**

**“All that I have, I have given unto you. As I am so are you in this present world. Come unto Me and I will give you rest, and make you free indeed. Father, make them ONE even as we (are ) ONE. (ARE)”**

**WHO ARE WE?**

**SPIRIT as IS HE**

**Now, writing to myself, I shall say, “Judge not by appearance, but judge righteous judgment. See all things and all men as they in Truth are; in Christ, in purity, in wholeness, in love, even as He is. Behold His Great Appearance with rejoicing, celebration, and awsome.**

**Proclaim the ONE who is the ultimate Jubilee is come. Amen**
