

The Greater Works

As we know, In the beginning, before time was, there was ONE GOD and Father of Us ALL, and beside Him, there was none other.

**He came to earth in the form of man, and He still is the ONE ;
The man of Gallilee, God as man.**

**When He arose, He arose as many, the simple understandable Truth,
wherein this little child may understand.
He is God as man, and still only ONE; His body, Lord Jesus Christ.**

And so we will discover in discernment His wonderful body.

“Behold, I am all things new and good, and peace and joy in righteousness. I am order and harmony, the free gift of righteousness; My Father in expression. I have come to reveal the perfect, holy ONE , the new creation, My Father. (Without Him was no thing made. St. John 1:3.) I speak from the center, but my voice carries to the end of the stars, to proclaim the finished creation which is My Father expressed, MY BODY. This is the “So Great Salvation” , I have longed for men to live.“

“With a single eye, and a single mind, I am lifted as you , a witness of love, a picture of the all new. Would you calm the sea of humanity by identifying as the pinpoint of light that I am? Yes, I calmed the sea, and now I ask you to calm the sea of My people. There was a time when men would not come, but now I have been lifted up. I have been exalted to the throne within Them and You, My Temple. All men have been drawn, and your greater works is to witness and proclaim, to let men know that I am come in them. You are My believers. You have not denied that I am come in the flesh, and You have been quickened and made alive as Me.“

“The greater works are that you will open men’s hearts to the sea of forgiveness, to let them know that they have been returned to My Father’s House, and have been exhalted to the throne room, My free gift in men. There is a humble, discerning people, that will not ask you to crawl before God, but will speak eternal gladness to all men. They will remind you from whence you have come, and alert you that you are everlastingly here in My Father. This ministry of reconcilliation is the glorious presence in My Son, My love through Him. He is here in you, and He shall never leave . He, as promised, has brought you where He is.”
