

THE RETURN OF THE LORD IS THE SUBJECT

Dear Ones:

When He appears, He is so adored, and so takes away our attention, that nothing else seems worthwhile, as you know. Now as I plan to write today, He is not returning in us with an arm in a sling and a load on His shoulders in the presence of sin, separated from perfection. He is not returned in us with that fallen nature of sin, broken and separated from the Father. He is come glorified, as far away from trials, suffering and pain as the East is from the West. He is the Former and Latter Rain, come in rarefied splendor, utter perfection. He is beautiful; the Kingdom of God without blemish or fault. That's what He is. Welcome Dear Savior!

Now, as we understand, He is all in all. He is as we are in this present world - 1 John 7:14. How are we? As He is. Why? Because we were buried with Him and arose in His likeness. Where is the ugly? He has taken it away.

Because we see and behold only Him, we discover that the Former and Latter Rain is the second coming, where there is NO NIGHT, no sorrow, no suffering, no pain. There is no such thing as a body to be healed for He is come in His body, which we are. We know that as He appears, we are like Him.

Now, all of this is us, our inheritance in Him, The New Heaven and New Earth.

True, men have not been able to see or receive this due to their judging by appearance, so instead of beholding Him, they look upon the world, which has already been overcome, they look upon an imaginary devil who has already been destroyed, they look upon the morbid, beggarly conditions of a world that has been redeemed, and believe it not redeemed.

On the other hand, it is given by the Word of the Lord that He is righteousness, and He is all in all. He is Alpha, and Omega, the beginning and the end. He is the only one ever to be worthy, because He is the only one, and beside Him, there is no other.

There is no other, either now or to come, to raise a hand, to speak, to exhibit power, to move or to live. There is no other in which all honor belongs, or there is no other name under Heaven, in that we might see and be these things. There is no other to become righteous or beautiful or worthy, for all are worthy in Him

To see Him, is to see Him in you, to see Him as He is, To see Him as YOU, the One and Only Begotten Son of God.

Now, where is He when He is at the right hand of the Father? In YOU. What is there at the right hand of the Father? Heaven, The Kingdom of God, The Holiest of All, the place where there is no night; where Heaven meets earth, where the children gather and rejoice forever and forever. IN YOU, the BODY OF CHRIST, IN CHRIST'S CHURCH, where old things have passed away. Where we minister to The Lord Himself always, and rejoice in the ever enfolding salvation we have come to know.

We are come, humbly and wonderfully as He. Isn't it wonderful. What are we to do? As you know, we live and move in Him; only in Him. The Light of Love that we have discovered is He; a giving of Himself never to be limited, never to be ignored; placed there for our giving and sharing and knowing. It is resurrection life.

I appear to you and you appear to me, and we appear to all. Isn't it wonderful My Jesus.

Amen - Amen - Amen God Bless America and All Men Love you Leah and Karlo,
