

## **Have we really seen oneness?**

**As I take in the beauty of the rose, do I realize that its creator was I?**

**When you look out of your eyes and admire the beauty of the landscape, do you ever**

**have the deep realization that what you see is an extension of you?**

**Have you ever observed a crowd of people, while realizing you were seeing many versions of you?**

**Have you ever experienced the wonder of your omnipresence?**

**Have you ever experienced any of these things? *If you haven't, you will.***

**Creation in terms of our experience is an on going thing.**

**From the egos perception it's all taking billions of years.**

**From a higher perception it's finished, over, and done**

**Humanity is the Word made flesh.**

**Today we are the prodigal son.**

**Tomorrow we get the robe and the ring.**
