

The City

Psalm 46:4- There is a River, the streams whereof shall make glad the City of God, the holy place of the Tabernacles of the Most High. God is in the midst of Her. She shall not be moved.

We've been looking at the Garden; dwelling there. Seeing the invisible comes first by hearing, then believing, then seeing. Do you see this? The Garden of God is Beautiful, with its trees of righteousness of various types, and the living Stones that landscape the paths and beds. There is the River flowing from the City with its watering system to keep the Garden fertile.

Adam and Eve lived in this Garden (Consciousness), and loved it there, but lost it due to becoming dense, if you will. But they didn't live in the City. The City is where God lives and rules from. His Throne is there, in the midst of Her! The River originates from the Throne of God (Rev. 22:1). This River is a Pure river of water of Life, and it is clear as crystal. I hope to make myself clear. Is this clear? Yes, crystal!

If you've dwelt with me in the Garden, then you know how beautiful it is, and how nourishing its fruit (of the Spirit) is. This Fruit grows on the branches of the trees of righteousness. There is no law that can be used against those who operate in the giving of this fruit. And, oh yes, this fruit has SEED in it, whose seed also has seed in itself, so it is limitless; it can not end! We also saw (did you see, by hearing?) that the Fruit is eaten by others, yet it is not consumed from that tree, though it gives nourishment to the eater.

As wonderful as the Garden is, it's better to live in the City. Though God walks through the Garden in the cool of the day, He dwells in the center of the City, New Jerusalem. Salem (shalom) means peace. There is no war here. Just as there are cherubim and a flaming Sword to guard the way to the Tree of Life in the Garden, there are gates to the City which one must have the authority to go through. These gates are open day and night continually. If you've been spending time in the Garden, you know that you had to come through the cherubim and the flaming Sword, so coming this far, you'll have no problem entering into the City, with the proper direction. You also have authority. I give it to you!

I'll reiterate from our walk through the Garden that the Cherubim are figures that operate with your image-i-nation to bring you to this place of reality; of truly seeing. The flaming Sword, of course, is the Word of God, and the baptism (complete immersion inside and out) of Fire, in which you have become a Flame. This purified you to the point that no one can enter the Garden, except through you. You and the flaming Sword and the Cherubim become ONE.

We've seen in the first statement that the City is a Her. She actually is the Mother. Just as earth is the mother earth, she is the Mother Heaven.

As the earth contains the womb for all seed for plants, trees, and crops of earth; the Heavenly Mother bears the Womb for all Spiritual Life. This Womb is a Divine Mind (Mine).

Unlike the natural mother earth, which is dense, and keeps us weighted to her through grave-ity, our Heavenly Mother, Who is the Mother of us all, causes us to lose the heavy weight of gravity, and causes us to rise, to become lighter; to become Light. Being married to the Father of Lights, She is the Mother of you, O Light! This is the burden we've been given. My yoke is easy, and my burden is Light. It's easy to carry Light once you get used to it. It also causes you to see clearly. Do you see this; any of it? Then you carry in some degree Light! You are the Light of the world!

We rise up to the heights of Spiritual thinking to partake and fellowship with Mom, and she descends into all our parts, from the highest level of thought to the lowest, which is made Pure. She is Pure, and can only dwell in Purity, which you are made to be. Your mind is as vast as the universe, with its intellect and imagination, and from the purification of coming through the Fire, you've been made ready for Mother to dwell in all your life.

From the first verse we see that the streams of this River make glad this city, which consists of the Tabernacles of the Most High. That's you, or what you are in reality, whether you feel it or see it. You are the Tabernacle, or Temple of the Most High. This is El Elyon in Hebrew, which means lofty, elevation, or Supreme. This is where you belong; in the Highest Heights; the highest elevation of thinking. You've probably dwelt there when you were a child, and some caring adult pried into your innocence with his/her conditioned thinking, and told you in some man-i-pull-at-ive manner unknown to themselves, that you needed to get smart and live in reality,

when in actuality, that's where you were. Then begins your life of illusion, everything you love always escaping you, whether in minutes or years; nothing remains. It always changes, leaving you feeling very unstable, and having only a hope, without foundation, that everything will be okay in the end. And it will. But I say this from hearing unchangeable Truth, a believing it, and then a knowing it. It's Solid Rock that you can stand on, or build a City on. Its unchangeable Truth, without scales for there is no opposite; no thing can oppose like a see-saw! It stands on its own, and this is the Foundation each of us will eventually be built upon. This is our destiny. It is Joy, Peace, and Righteousness in the Holy Ghost; our Home in the Kingdom of God. Are you coming, or are you going to continue playing with the illusion, the pain-causer? Come here, beloved! Come up higher!

The City Descends

I saw a New Heavens and a New Earth, for the first heaven and the first earth are passed away, and there was no more sea. Rev. 21:1

Coming this far, you have a different way of thinking. Your old earthly way of thinking in that great heavenly expanse of your mind and image-ination are passed away, or so you reckon it to be so; therefore it is. We speak things that are not as though they are, according to Truth. You've put on a new way of thinking which has replaced the old. This new way is according to unchangeable Truth that you know is solid beneath your feet. You See the New Heavens (Mindset) and the New Earth (your mortal body putting on immortality). Your body no longer operates according to earthly rules. It runs on Spirit. Having become Light, your vibrations have quickened, and you see the New Earthly Body not as some dense machine of flesh and blood, but as a Being of Light Energy; a dance of atoms and molecules, electron, protons, and neutrons, all dancing a celebratory polka, two-stepping and jitterbugging to an out of this old world song, with no toes being stepped on. There is great joy in seeing the faith become sight!

There is no more sea. Oh, not that beautiful Pacific, but the raging sea of humanity and all its stinking thinking ways of living according to the illusion of the two little balls in the eye sockets of the Calvary skull, where death once lived, but now walking according to the map of the Word and the Spirit of Life, leading us a step at a time.

Yes, the Great Oceans of the world of the planet remain to be enjoyed, but the sea of emotions controlled by the tides and the night light, the lumatic moon, pass away, replaced by stability. There is no more wave-erring and

crashing onto the rough, sandy shore, but a sea of glass, of crystal, clear and calm; a sea of tranquility for sure, not to be rustled by any mere human belief. Is this becoming clear? Yes, crystal!

And I, Tom, saw the Holy City, New Jerusalem, coming down from God out of Heaven, prepared as a bride adorned for her husband. Through spiritual childhood we came to recognize that True Life is not geographical. Up here in North America would be down in China. We relate to height and depth in the Spirit. It's within you! It's all within you. If it's not within you, it's nowhere! Height is a higher way of thinking, or depth is a deeper way of thought. Going higher gives you clarity of vision, as if you went up in a plane; you could get an overall view of a vast area. As this Holy City descends, we rise up to meet it in the air. You could not meet or see this Perfect City unless you were prepared for it through purification, through the hellish burning of all imperfect, illusory, temporary thinking having been eradicated. The old earth and old heavens of lower sense, temporary deceptive thought burns up, with its ashes falling to earth beneath our feet.

This is what Peter meant when he said in 2Peter 3:7-10 that the heavens and the earth would be burnt up by fire. My Words are Spirit. The Fire is God, Who is a consuming Fire, and as He increases in your life, all that is burnable will burn, and that which remains is eternal. The planet earth abides forever. It's the earthly ways of thinking that get burnt up in Him. As these erroneous thoughts drop, we become lighter. The burdens of worry and care plummet with them, enabling us to rise. As we put off that which we know to be weights, we ascend. It's the true meeting in the air, while you remain with your feet on the solid ground of Truth, and the planet from which we rule; for starters! Astounding, eh? It's Truth, my friend. Once only imagined from a comic book, this immortality and the inheritance to rule and reign as kings and priests, is truly ours. This is what you were born for!

We're approaching the City of God! We are really there, but it's been hidden from our Sight. The veil of the City comes off, and Smack, we Kiss the Bride. More to come, my Friends!
