## **CHAPTER THREE**

**Star Sign=Libra or  
The Scales**

**Three Constellations**

**1. Crux (the cross)**

**2. Lupus (Victima the victim slain)**

**3. Corona (the crown)**

Across the ages these beautiful SCALES come into a crystal clear interpretation. The living Word refers to them as JUST WEIGHTS AND BALANCES. Although it is a bit muddy as to WHO GETS TO JUDGE THE JUDGER. Just some food for thought. I must declare "We each make calculations, in light of our level of consciousness. Awareness is a vital key to make an even, or discernable spread sheet. In the Now' is a popular thought, or it is very fashionable to state "Man is WAKING UP". This is currently being "Cool" to say the least. I am just pondering 'how much to we each judge from our own personal EXPERIENCES?

Often we draw upon narrow views with lines drawn in the sand of our intellect, emotional heavens (or hells if you need it). Levi's job (all Priest were to be Levites, however all levites were not selected to be priest (fancy that). In any case in the old testament times or the beginning of the law, The Levites, Priest were to bring a BALANCE "ACCORDING TO THE LAW."

It was important for the same amount of weights to be in either pocket, so the walk or gait was even. Can we see Father's intention, even back at the very beginning of the law????? Volumes could be written on this subject, but my inspiration is to shed light into specific dark places. Then as we acknowledge the dark energies (historically demons, hells, demi-gods and such). The scripture states 'I CREATE (CUT DOWN FOR A DETERMINED PURPOSE) THE DARKNESS, AND I FORM (WE ARE FORMABLE AFTER CREATION) THE LIGHT. How could we possibly understand and appreciate LIGHT without the DARKNESS? Except a seed of corn FALL INTO THE GROUND AND DIE (GERMINATE) IN THE DARKNESS, IT ABIDETH ALONE. This puts us in mind of the elder brother jealous of the younger brother, we are both the prodigal and the elder brother, and the Father. Selah' Contrast is most important for our growth. If Father had meant only divinity to be seen thru time. What was the point of making man in the image and likeness of the Father. What was the point of Jesus Christ coming on the scene AS THE SON OF MAN. Indeed' Father wanted a contrast, of DIVINITY AND OF HUMANITY. Thus he placed the commandment within the Levitical Law. To make the picture clearer, the next portion of the Star picture is THE CRUX OR THE CROSS.

CROIX

Crux

THE CROSS OR

As we think upon the cross, our minds recall Jesus Christ upon the cross on Golgothias Hill, as he cried out Eli Eli lama sabachthani or My God' My God' Why hast thou forsaken me?? So we hear the constant cry of HUMANITY on the Cross of life. Father used his sons voice to utter Humanitys everlasting moans, groans, pains, adversarial conditions. Where are you? Father' when all the problems hit. Where are you when I need you so, in my gruesome loneliness, in my voids? Thus we hear the Eternal Promise "and Lo I am with you always even to the ends of the earth. We are allowing Him to experience thru us all of these things that he could not possible experience as Divinity. So

Divinity must have a help meet. This help meet is MANKIND. We take up our CROSS OF HUMANITY ' DAILY'. We hear the Divine speak thru Jesus as he says " Father into thy hands I commend my Spirit." Humanity will always cry out in its pain, but the time has arrived when we understand what the test, trial, or negative energy is for. Thus we move forward with our next star picture;

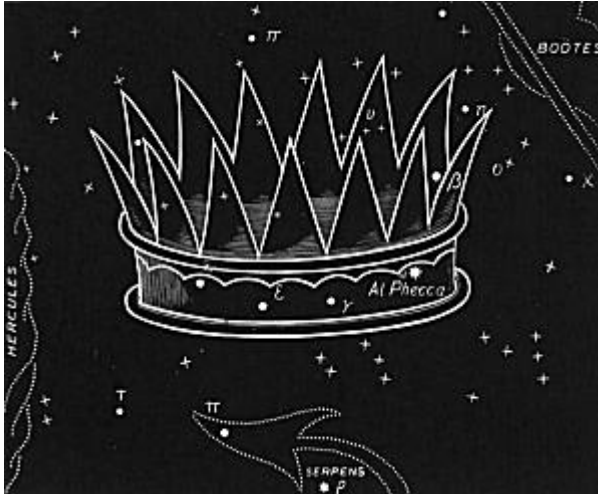

**LUPUS= (VICTIMA the Victim Slain)**

The modern name is

Lupus (a wolf). Interestingly enough, the sign of Gemini or the tribe of Benjamin is represented as a wolf. The full meaning here is more of one giving his life willingly. Christ declared "no one is able to take my life, I lay it down willingly. Surely more than once you have given Your thought, word, or deed, in order to be a stepping stone for the other fellow. Isn't it just too perfect to LOOK TO THE LAMB SLAIN FROM THE FOUNDATION OF THE WORLD. The divinity in us, causes to create a life line for our fellowman. Often we see this in conversations, when one for the sake of the argument, simply takes the low road. It is as the old tune states YOU TAKE THE HIGH ROAD AND I'LL TAKE THE LOW ROAD (BUT I'LL BE IN SCOTLAND BEFORE YE. We are victims BUT', BUT', BUT', WITH WILLINGNESS. What a different spirit that makes us of. Choosing to appear as the victim, but knowing we are more than Conqueors in Christ. Which brings us to the Crown or the Corona, this is the final picture in Libra or Levi.

I feel it is important that we are able to place a picture with the sign and also with the tribe that is represented by the sign. We definelty are visual iin our learning skills. We each are to wear a Crown of righteousness. As we live and move and have our BEING in the Great Christ.

Are we able to cast our Crowns at

his feet?

The crowns that we cast are vast and varied. We see several mentions in the scripture. The furniture in the Tabernacle, a crown on the brazen altar ( a crown of law), a crown on the altar of incense ( a crown for the Priesthood), and a crown on the table of showbread ( a crown of the kingdom, the 12 loaves representing the twelve tribes of Israel). We also see the crown of Life , we see the peaks for protection and beauty, we see the pits that humanity walks thru, our own personal (FRIENDS IN LOW PLACES). Our humiliaties enable us to appreciate and enjoy both the pits and the peaks. What a priviledge to embrace the crown of our humanity, as we are remembering our Divinity and how we stood on our tippy toes waiting for the time of this present manifestation. More to come in the future. Love Connie
