

CHAPTER IV

LEVI'S

CAMPSITE

The chart above is the order in which the tribes of Israel camped, traveled, or took their journeys. Numbers chapter two, three, and four gives the order clearly. For the sake of having to read Scripture ref. I will quote from the K. J. version=. As you view the chart you will see the Priesthood (the tribe of Levi=or the sign of Libra) camped in the Inner Camp, notice Koathites on the southern side in Front of the Camp of Reuben, The Gershonites on the western side in Front of the Camp of Ephraim, The Merarites in Front of the Camp of Dan, and , Moses, Aaron and his sons on the Eastern side in front of the camp of Judah. Each of these orders of the priest were assigned specific duties. Moses, Aaron and his sons kept the charge of the sanctuary for the charge of the children of Israel: and the stranger. The Merarites kept the boards, the bars, the pillars the sockets, the pillars of the court the pins and cords. Numbers:3 35-37. Koathites charge is the ark, table, the vessels of the sanctuary, and the hangings, also the candlestick. The Gershonites, the tent, the hangings of the court, the coverings of the sanctuary. And all the service thereof. We understand in this glorious Age of Aquarius each person is the Priest of his own House, The house is the Body we live in. We all are living in one or more of the following four orders. We have the First= CONCEPTIONAL ORDER, the Second is the BIRTHING ORDER, the

Third is the MARCHING OR TRAVELING ORDER (which we are presently dealing with) and finally or in Fourth is the DESTINY ORDER. You may view these orders by clicking into the blue on the left after you open this website. These are listed in the previous orders that I listed above. Lets take a closer look at this CAMPING OR TRAVELING ORDER. The following Order is the only order which is repeated three times. Numbers chapters 2, 7 and 10.

However the ARK of the COVENANT went THREE DAYS JOURNEY TO SEARCH A 'RESTING PLACE'.

Who are these who bear the ARK OF THE COVENANT????? Who are these who are three days journey down the road searching out Places of REST. The word REST in the Hebrew has several impressive meanings=Peace, Quiet, Repose, consolation, Matrimony, Ease, comfortable, a settled spot. This particular word is the feminine portion of the Word 'Rest'. This brings to mind the story of Manoah and His Wife. The Angel performed wonderfully (awesomely) as the announcement of Samsons conception. Noah's name also means rest. He received the pattern to build the first ark.

Let us view THREE DAYS JOURNEY, SEARCHING OUT A RESTING PLACE. How are we to understand the interpretations to 'THREE DAYS'? The Companion Bible/ Bullingers notes States: is the number of DIVINE PREFECTION OR COMPLETION. Three may be days, years, seasons, or even ages. Jesus said "on the third day I will rise again" How are we to understand this resurrected life? If we believe in the three days (as ages down the road. This would be the Age of Libra, at that time Dan or Scorpio will be replaced by The Age of Libra or Levi. We presently live in the age of Aquarius for the next 2000 years. Then the age of Capricorn, 1 day journey, the age of Sagattarius 2 days journey, and finally the age of Libra will move into the 3 days or 3 ages down the road (libra) will take Dans (or Scorpions Place) actually Levi or Libra will obilderate the tribe of Dan or Sign of Scorpio becoming the covering of judgement with the balance of love covering justice and the law. More later.
